

## What is the Kiwanis Miracle League?

ALL kids should be given the chance to play baseball. The Kiwanis Miracle League at Prospect Meadows is making baseball possible for kids with disabilities in the metro area and surrounding counties. Just inside the entrance to the new park will be the place where miracles are made. Hundreds of kids with disabilities will be invited to choose up teams and have some fun. The parents and relatives of our players will also have a great time cheering on their kids as they round the bases and head for home. Close to 1000 players, family members, and volunteers will visit our field each Saturday.

## How and when are the games played?

Fifteen Saturdays each summer our field will be a hub of activity as our kids have one of the greatest days of their lives. Each game takes an hour. Every kid will have an official team jersey and have a buddy assigned to them during the game. Each player gets a hit and the last batter will hit a grand slam to bring their teammates home. Teams bat twice and all games will end in a tie by having evenly matched teams (*or a little creative scorekeeping*). When our schedule is full (16 teams) we anticipate having around 200 volunteers each Saturday on the field while hundreds more walk by on their way to the other fields.

## You can become part of the Miracle!

Banner sales and the Marion Metro Kiwanis BBQ Rendezvous will fund league play so the kids can have a great experience playing baseball for FREE. **Exclusive prime advertising space is limited.**

The Marion Metro Kiwanis BBQ Rendezvous has been dedicated to building the field. Starting in 2019 our BBQ sponsors will be getting banner space on the field as well as at our BBQ event. There will be 18 large banners available on the outfield fence. There will also be space for smaller banners on the outside of the fence along the walk way to the other eight regulation fields in the complex. We estimate that these will be seen by over 100,000 unique visitors to the complex each year and all the media viewers when they cover our games.

Your company's logo will be seen by thousands of people that already have big smile on their faces as they watch the heartwarming Kiwanis Miracle League in action.
